

Professional cleaning that wouldn’t let you down - ever!

SW8000 puts you in the driver’s seat of the most advanced and innovative industrial class ride-on sweepers. With its extraordinary 2 meters wide sweeping path, SW8000 lets you sweep and clean large areas, such as parking lots, warehouses and factory floors. And it will only take you a fraction of the time it takes a conventional sweeper. The innovative DustGuard™ misting system lets you efficiently control any dust on your way leaving a cleaner environment. SW8000 is designed with attention to details that matters to you such as better safety features, easier operator control, simple maintenance and function features that provide better performance, reliability and a lower total cost of cleaning.

Choose between 4-cylinder diesel engine and LPG.

- The unique DustGuard™ feature with misting nozzles sprays a fine fog of moisture to the front and side brooms, effectively controlling airborne dust for a cleaner environment.
- The main broom 1.3 meter sweeping path is the widest in the industry, providing you better performance and faster cleaning.
- With side brooms the total cleaning width of SW8000 is 2 meters.
- The strong polyethylene covers offer a high driving protection and even absorbing bumps. At the same time, they are fully recyclable in line with Nilfisk’s environmental awareness policy.

• Standard equipment

Model	SW8000 165 D 4-CYL
Ref. no.	56107513

PRODUCT FEATURES

Adjustable steering and seat	•
Fuel gauge	•
Headlights	•
Amber safety beacon	•
Ergonomic driver seat	•
Parking brake	•
Variable high dump system	•
One-Touch™ control panel	•

Technical specifications	SW8000 165 D 4-CYL
Motor power source	Diesel
Motorbrand	Kubota
Motor type	V1505D
Max. speed (km/h)	15
Sound pressure level (dB(A))	82.8
Productivity main broom theoretical/actual (m²/h)	18850/13195
Productivity 1 side broom theoretical/actual (m²/h)	23925/16750
Productivity 2 side brooms theoretical/actual (m²/h)	29000/20300

Professional cleaning that wouldn't let you down - ever!

Technical specifications	SW8000 165 D 4-CYL
Working width with right side broom (mm)	1650
Working width with 2 side brooms (mm)	2000
Min. turn-around aisle width (cm)	277
Max. climbing rate (%)	20
Water tank capacity (l)	53
Hopper volume (l)	400
Max. dumping height (cm)	152
Max. dumping weight (kg)	454
Main filter type	ULTRA WEB
Main filter area (m²)	9
Front tyres Ø (cm)	53
Rear tyres Ø (cm)	46
Main broom (mm)	1300
Length x width x height (mm)	2410x1630x1500
Height with overhead guard (cm)	206
Gross weight (gvw) (kg)	2007
Net weight (kg)	1395
Operating weight (kg)	1435
