

# Technical Data Sheet

## MultiPurpose red

### International Article Number

S 100152, M 100153  
L 100154, XL 101970

### Product classification

Durable latex glove

### Composition

Natural rubber  
Filler  
Vulcanizing agents  
Stabilizers  
Zinc oxide  
Colour pigments  
Cotton Flock  
ZDEC

### Technical data

|                       | Typical value | Unit |
|-----------------------|---------------|------|
| Length                | 290           | mm   |
| Single wall thickness | 0.40          | mm   |

### Product properties and product usage

- Natural latex glove for all-round cleaning tasks
- Suitable for general cleaning tasks in General Building, Health Care and HoReCa
- CE Cat. III for high risk
- Mechanical protection acc. to EN 388:2016; for more information please ask FHCS
- High chemical resistance, tested acc. to EN ISO 374-1:2016: Type B (at least level 2 (more than 30 min) against at least 3 chemicals of the list); for more information please ask FHCS
- Protection against bacteria and fungi: tested according to EN 374-5:2016 for leakage proofness
- Protection against viruses: tested according to EN 374-5:2016 for leakage proofness and ISO 16604 / method B

### Care instructions

After usage rinse with tap water and turn inside out, hang for drying (e.g. over a handle), so air can reach in- and outside.

### Application

- Under wet or dry conditions
- Precaution: keep away from direct sunlight
- Rinse out aggressive chemicals after usage
- Suitable for diluted cleaning detergents and disinfectants
- For undiluted cleaning detergents and disinfectants, please contact FHCS

### Storage, transportation and disposal

Keep away from direct sunlight; store in a cool dry place and keep in the original packaging. Keep away from ozone sources. Product is not subject to transportation regulations for hazardous substances or chemicals. Dispose according to Local Authority Regulations. Landfill or incinerate under controlled conditions.

### Quality approvals / Compliance with international standards

This product is manufactured conforming to appropriate standards within FHCS Quality System.
