

Premier Star Gripper Plus

Interlocking carpet entrance tiles to keep internal floor coverings clean and slip free

- NEW - Closed Construction Tiles.
- Interlocking entrance tiles designed for a matwell.
- Two surface options available: Polypropylene carpet or Woven Brush. Solid surface tiles effectively capture dirt to protect interior floors. Hardwearing woven brush inserts scrape dirt and wipe moisture. Woven Brush showed no wear or tear after 100 000 scrapes with point weight of 2kg.
- PVC base tile is manufactured from 100% recycled materials.
- Suitable for high volume footfall in commercial locations.
- Tiles simply clip together on site for ease of transportation and installation.
- Move, clean or replace individual tiles - they clip together with ease.
